**ACES** (Achievement through Community Education & Support)

In support of the annual Lorain Rotary Trivia competition in 2024, this group took over the scoring, judging and running for the event. That was truly a lot of confidence in ACES as 24 teams participated in the event, each paying \$500 to enter.

This event's proceeds help the Lorain Rotary Club to support projects in our community and around the world including: Falbo Park, Lorain's first inclusive playground; local sports team sponsorships and equipment; The Valor Home; worldwide polio eradication; clean water and sanitation projects, and much more.
